\* Ms. V. Yogo B.A.,

\* Ms. R. Lakshmi Priyadharsini MCA.,

With Sticker fun activities

**Computer is also a man-made machine. It makes our work easy.**

**Do You Know?**  
**Charles Babbage is known as**  
**Father of Computer.**

# Using the keyboard

The keyboard is an input device.

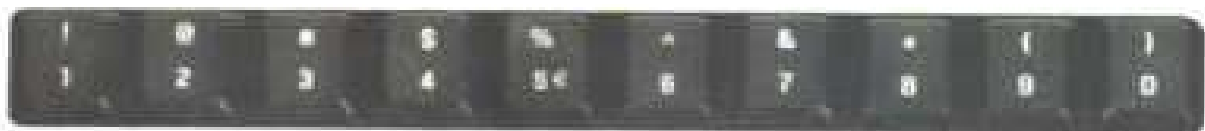

The buttons on the keyboard are called keys.

Some Important keys :

**Numeric keys**

They are used for typing numbers.

**Backspace key**

It helps us to erase what we have typed.

**Space bar key**

This is the longest key on the keyboard. It helps us to leave space.

**Computers are used in Banks.**

**Computers are used in Hospitals.**

**Computers are used in Offices.**

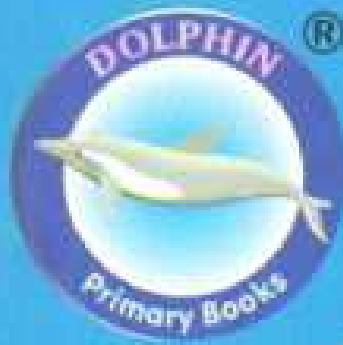

b) Rearrange the pictures to switch off a computer by numbering it.
