Baa, Baa, Black Sheep

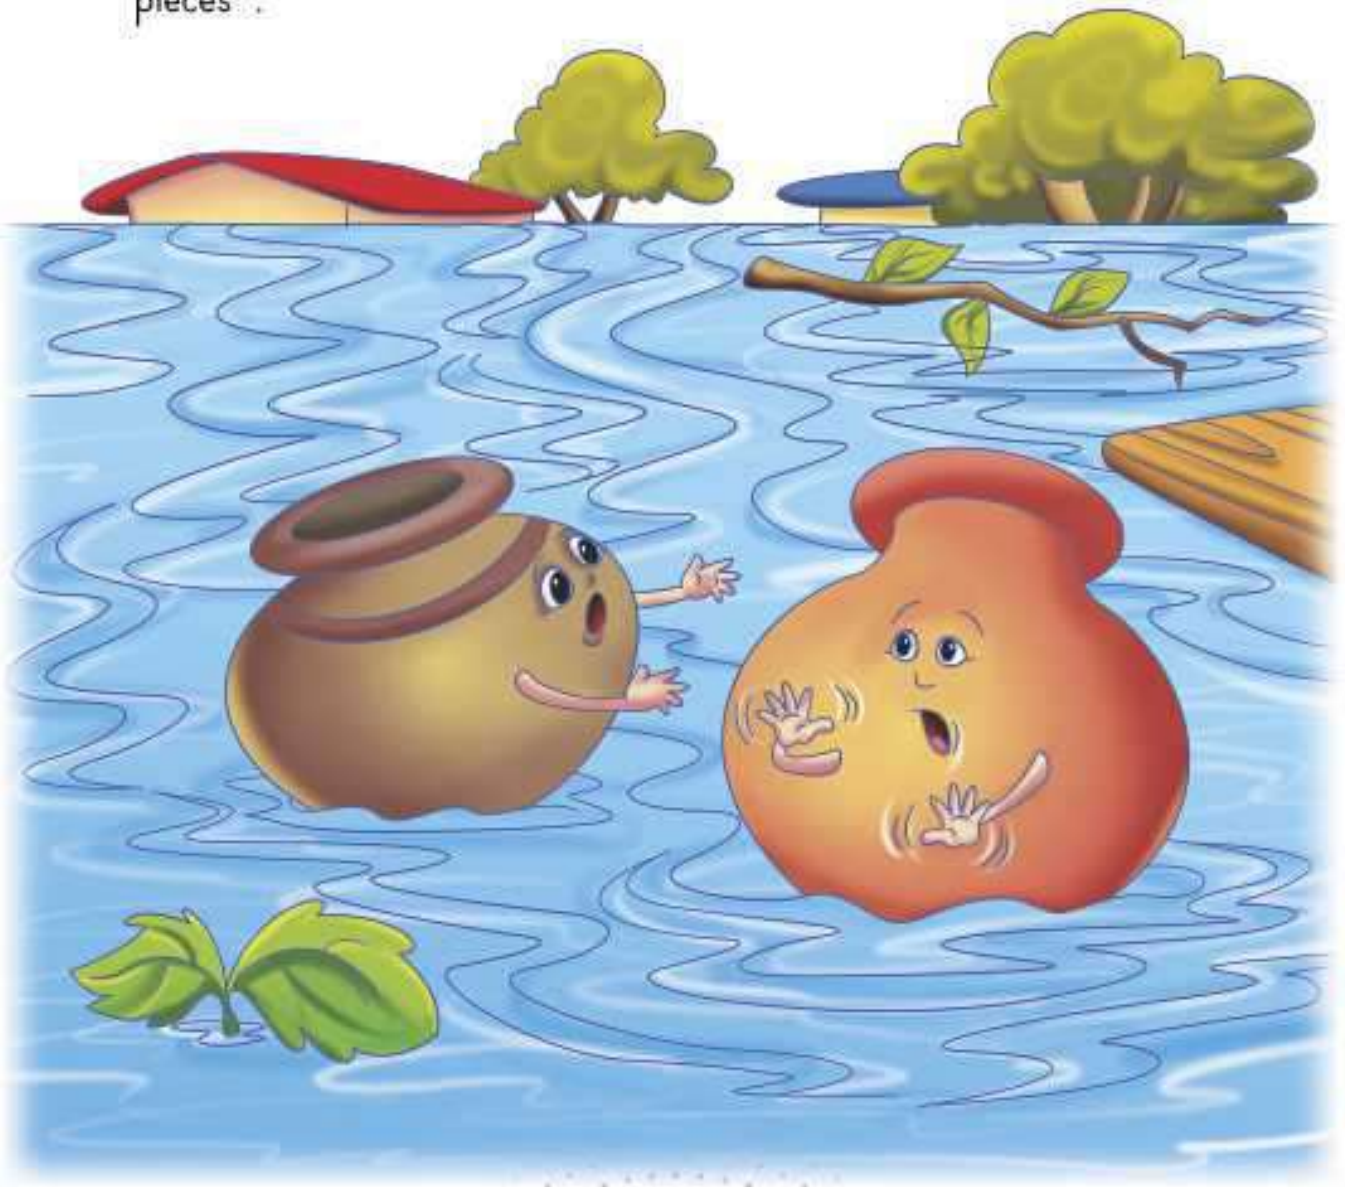

Baa, baa, black sheep,
Have you any wool?
Yes, sir, yes, sir,
Three bags full;
One for the master,
One for the dame,
And one for the little boy,
Who lives down the lane.

Two Pots

A village was flooded due to heavy rainfall. A strong copper pot and a weak mud pot were floating together.

The copper pot came closer to the mud pot to protect it. The mud pot cried, "Thanks my dear friend, if you really want to help me, please stay away. By chance, if you hit me, I will get smashed into pieces".

● Moral: Value your neighbour
