## VIBGYOR Colours

Violet

Indigo

Blue

Green

Yellow

Orange

Red

Note to Teachers: The rainbow in the sky has these seven colours called the VIBGYOR.

## Recognize & Match shapes

Each shape has a serial code. Recognize and match the objects with the shapes and fill in the respective serial code. The same code can be repeated for more similar shapes. One is done for you.

## Read aloud

We use 'That' to talk about an object which is far away from us.

That is a log.

Early Literacy

That is a cup.

That is a bin.

That is a pen.

That is a bag.

## After A Bath

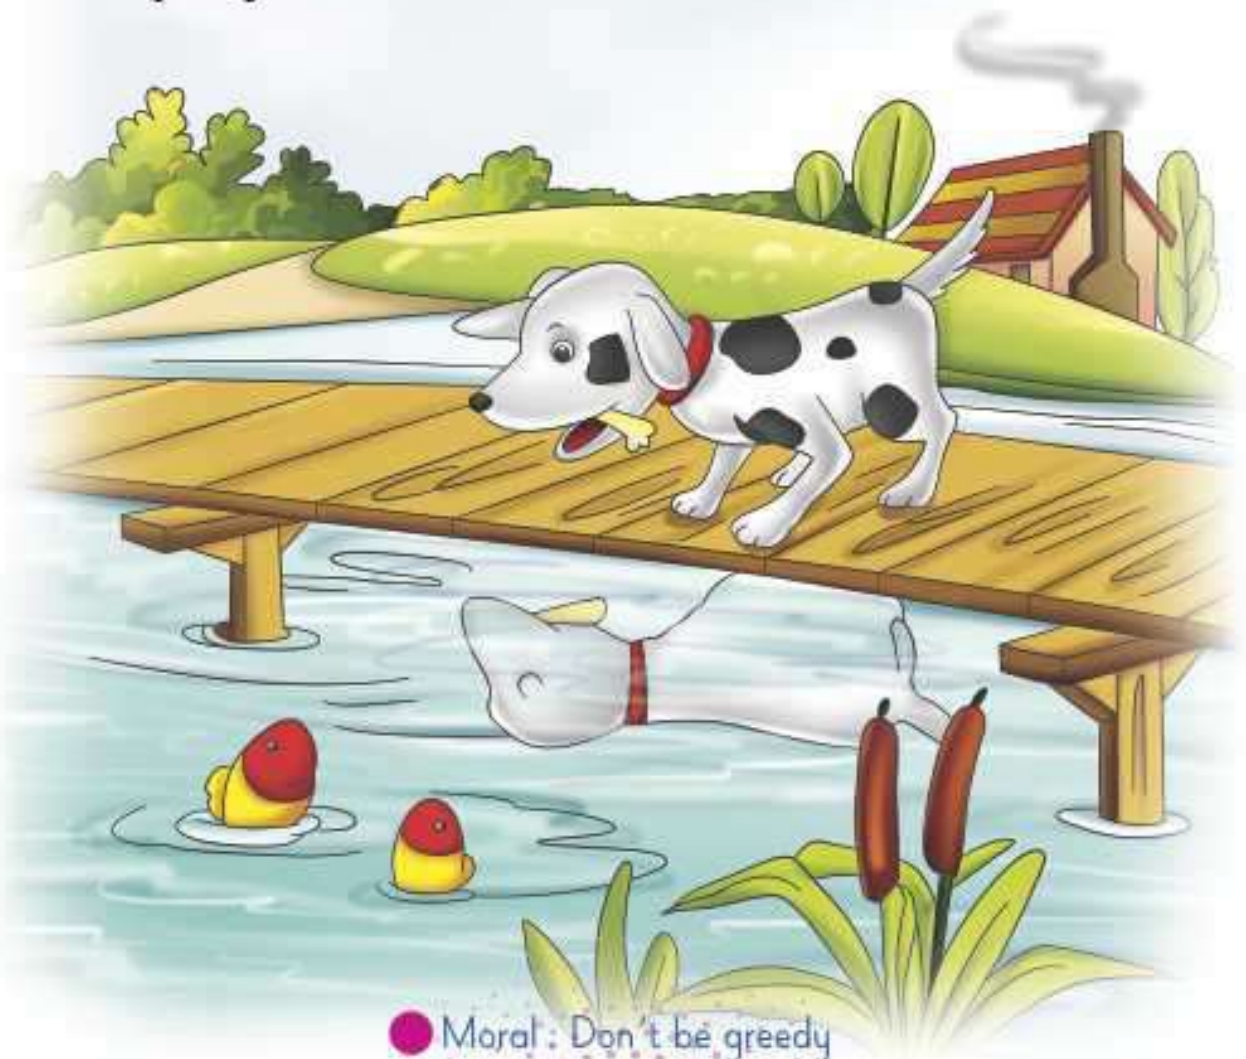

After a bath,  
I try, try, try,  
To wipe myself,  
Till I'm dry, dry, dry;  
Hands to wipe, and  
Fingers and toes,  
Two wet legs,  
And a shiny nose.

## The Greedy Dog

A dog was once standing on a bridge over a river. He had a bone in his mouth. He looked into the water below. He saw his own image in the water:

He thought that there was another dog with a bone in his mouth. He wanted to have the other bone too. He opened his mouth to say: "bow-wow". The bone fell from his mouth into the water. "Alas! I have lost my bone because I was greedy", he said to himself and went away sadly.

● Moral: Don't be greedy
