## Yankee Doodle

Yankee Doodle went to town,  
Riding on a pony,  
He stuck a feather in his cap  
And called it Macaroni.

## The Cows And The Lion

Long ago four cows were good friends. They used to go to the nearby forest together, in search of food. One day, they held a meeting to talk about the wild lion that lived in the same forest.

One of the cows said, "Friends if we are alone, the lion may eat us one by one. At any cost, we must all stay united." As they expected, the lion attacked the cows. And being united they bravely fought against the lion and drove it away. And they lived happily in the forest.

● Moral: Unity is strength
